over the management of the School it will have to be closed

2 As the School has a large number of pupils on the Rolls Viz 103 and as it serves a real want in those parts the Dyl recommends that it may be taken over under Govt management and made a branch of the Govt Empress Girls' School, Trichur, under a Reduced Establishment costing Rs 40 per mensem which is equal to the present grant so that no addl cost is required

3 The School at present teaches upto the V class inclusive but the Dyl proposes to do away with classes IV & V, the few Girls in those classes being sent to the Empress Girls' School.

4 There are also two aided Mission Girls' Schools at ~~the place~~ Trichur which are receiving grants of Rs 35 & 75 per mensem respectively

be increased expenditure in the shape of pension charges & concerning the fact that Govt has already opened a Govt girls School at Tumkur and is adding two more schools by giving them liberal grants. It is doubtful if it is advisable to have another Govt girls School at the same place but if there is a real need for the School and it is sure to be closed if not taken over by Govt, it may perhaps be taken over by Govt in view of the special encouragement which it is desirable to give to female Education
